

REPORT OF THE BUDGET COMMITTEE

I would like to thank each member of this year's Budget Committee for all their hard work, commitment, and perseverance throughout the fall and winter months. We spent many hours on the Town and school budgets. The budget Committee is the only committee in Town that looks over both the Town and school budgets, and takes all the information that is provided to us, digests it, and then makes our recommendations to the Town and the school district. We spend many hours going over both budgets, and make our recommendations with much thought and discussion.

We would like to thank Cris Blackstone, the Selectman's Representative to the Budget Committee. Cris was a very faithful attendee to our meetings, and added some very valuable input, and insight to our discussions. Also, we would like to thank the Town Administrator, Russ Bailey for his hard work and efforts in assisting the Budget Committee this year. Russ and Cris provided us with all the information and assistance that we requested. Thank you both.

In conclusion, please consider running for a position on the Budget Committee. You will learn so much about the Town and school budgets. An educated voter is the best kind of voter.

Please, get involved!

Respectfully submitted,

Gregory Fuller, Chairman
